

VICTORIES IN CHRIST JUVENILE PRISON MINISTRY PEN PAL OVERVIEW

The Pen Pal volunteers correspond with inmates via letters through the church mail system. Upon completing a brief do's and don'ts training each volunteer is assigned an individual who has expressed a desire for a Pen Pal. Our faithful Pen Pals encourage them in their faith while spending much time in prayer for their requests. By building a relationship and sharing the love of Christ along with scriptures of meaning in your life you will be encouraging and modeling hope for your pen pal.

We are required as volunteers within the prison system to follow rules and regulation set by Dallas County Juvenile. Issues dealing with juvenile identity protection and general common sense security guidelines will be addressed within the training information.

If God is calling you to be a part of this leg of Juvenile Prison ministry please contact us through the Contact tab for more information on training dates.

You may be considering taking a big step out of your comfort zone, remember that is always where Christ is beckoning us to come to where He is, which once you answer Him you find out it is the safest place on Earth and the blessings are always beyond measure.

Pressing on in the strong name of Jesus.
